

## Adventure Awaits

More and more Unity House consumers are taking advantage of travel opportunities through Tulip Travel ([www.tulip-travel.com](http://www.tulip-travel.com)) in Liverpool, NY. According to their brochure, Tulip Travel is a “vacation and travel tour company providing travel opportunities for people with developmental disabilities since 1998. We believe that all individuals can benefit from well-planned travel and vacations. We plan

tour packages to the most popular vacation destinations in the United States and abroad, providing travel escorts that will help make the trip a successful one.”

Jimmy Ojala of Ithaca is already booked on four all-inclusive trips with Tulip this year! He has just returned from the Ultimate NYC Broadway tour, and is excited about the annual Elvis Festival in Lake George this May. Jimmy’s also headed to warmer climes in October as a group travels to Orlando, and he’ll celebrate his December birthday with an 8-night cruise to the Bahamas!
