

## Member of the Month

In appreciation for his hard work at Buffalo Wild Wings in Auburn, Will Gunderson was named “Heart of the House Blazin’ Team Member of the Month” for April 2013.

“Will does a great job for us,” said General Manager James Farrance. “He comes in on time and goes about his business. He’s a great asset.”

James and other managers nominate a worthy employee for this recognition every month. He and Will have developed an easy camaraderie, as evidenced by their joking around in Three Stooges style.

Will started at Buffalo Wild Wings through UES about four years ago. He does kitchen prep in the mornings three days a week. His job coach Dean Tanner says Will has become increasingly independent: Will lives on his own in Aurora, gets transportation to and from his job through the Gavras Center, and only needs occasional on the job spot checking now.

It was Will’s 28<sup>th</sup> birthday on the day he was interviewed for this article. He and his family were planning to go to Buffalo Wild Wings that evening for a birthday dinner celebration.
