

Unity House Donation Form

"I am very pleased with the services my sister Mary has received during her years with Unity House. Her supervised schedule gets her up and going every day. Between day habilitation and her part-time job, she receives the daily attention that I cannot provide living in Syracuse. Her social skills have developed under the care of Unity House, she's happy, and she has become more independent than we thought possible." ~Donna Gilbert, Solvay, NY
